

RAPIDMOOC GO & STUDIO

Panopto Plugin Settings

V1.0 – October 2020

Panopto Settings

From the home screen of the Rapidmooc application, click on the "settings" button.

On the Settings screen, select the **Video platform** Tab

Then select Panopto in the platform list

Enter your Panopto server address in the **Video platform URL** field

Click on the **Save** button and go back to the home screen

The image is a screenshot of the 'Video platform' settings screen. On the left is a grey sidebar with a list of settings: 'General settings', 'Video platform' (highlighted with a blue bar), 'Web Meeting platform', 'Authentication', 'File transfer', 'Video capture', 'Live Streaming', and 'Speaker auto tracking'. The main area has a blue background and contains the following fields: 'Select your video platform' with a dropdown menu showing 'Panopto'; 'Video platform URL' with a text input field containing 'durham.cloud.panopto.eu'; 'Security parameter #1' with an empty text input field; and 'Security parameter #2' with an empty text input field. Below these fields is a small red note: 'Please note that video platform integration may require specific support or service.' At the bottom right are two buttons: 'Save' (with a floppy disk icon) and 'Back' (with a left arrow icon).

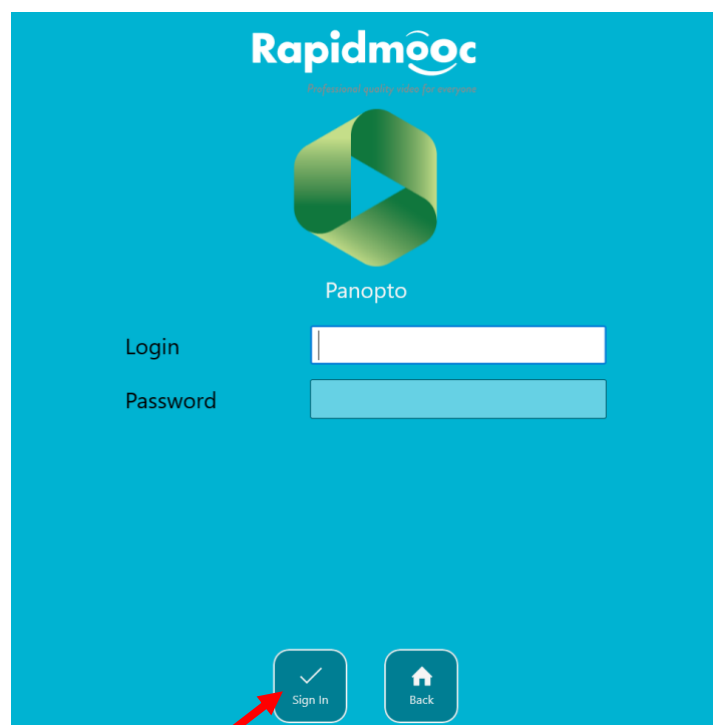

Authentication

Authentication must be performed before videos can be uploaded to Panopto.

Once the Panopto plugin has been configured, you have access to authentication from the home page.

Enter your login and password and click on the **Sign In** button.

The image shows the Panopto login form. At the top is the 'Rapidmooc' logo with the tagline 'Professional quality video for everyone'. Below the logo is the Panopto logo (a green play button icon) and the word 'Panopto'. Below that are two input fields: 'Login' and 'Password'. At the bottom of the form are two buttons: 'Sign In' (with a checkmark icon) and 'Back' (with a house icon). A red arrow points to the 'Sign In' button.

Once your username and password have been validated, the message below is displayed on the screen.
